Dear Dr. Satya Mitra,

Thank you so much for donating to African Community Education's 2017 Year-End Campaign!

Your willingness to help African refugee and immigrant children and families is helping us to provide academic, cultural, and social programming and wraparound family outreach in 2018. Your generosity is helping us to:

- Provide academic and cultural support to 100 youth
- Engage 40 young children in early literacy instruction and activities
- Teach English & U.S. Citizenship to 30 adults
- Visit 45 families in their homes to help with translation, access to services and their children's academic progress
- Connect parents to the schools through our Public School Liaison

It is your kindness that enables ACE to continue to grow and accomplish our mission of empowering African refugees and immigrants to achieve educational and social stability through access to academic support, leadership development, cultural expression, and community outreach in Worcester, MA.

This letter is an acknowledgement of your donation of \$1,000.00 to African Community Education on December 21, 2017 and that no goods or services were received in return for this donation. African Community Education is an exempt organization as described in Section 501(c)(3) of the Internal Revenue Code; EIN 14-19 70474.

Thank you again for your generosity!

Best regards,

Kaska Yawo
